

2015 Colonias Infrastructure Fund Award Recommendations

App. #	Applicant	COUNTY	Project Type	Project Description	Recommended CIF Funding	Recommended Scope of Work
CIF15-0004	Anthony, City of	Dona Ana	Flood/Drainage Control	Construction of a lift station, force-main and gravity storm drain system in the St. Anthony ponds.	\$ 688,420	Construction
CIF15-0006	Anthony WSD	Dona Ana	Water Infrastructure	Construction for waterline extensions	\$ 786,082	Construction
CIF15-0002	Bayard, City of	Grant	Water Infrastructure	Head/surge tank replacement	\$ 381,419	Construction
CIF15-0005	Camino Real Regional UA	Dona Ana	Water Infrastructure	Replace Well 4 in the Sunland Park region.	\$ 1,023,000	Design & Construct
CIF15-0046	Capitan, Village of	Lincoln	Water Infrastructure	Phase II-waterline replacement; installation of valves and fire hydrants.	\$ 75,000	Design
CIF15-0044	Carrizozo, Town of	Lincoln	Roads/Drainage	Replacing aged, asbestos waterlines underneath various streets.	\$ 773,598	Design & Construct
CIF15-0052	Chamberino MDWC&SA	Dona Ana	Water Infrastructure	Design and construct a secondary water source, storage tank and extension to connect to the existing system.	\$ 200,875	Design
CIF15-0030	Deming, City of	Luna	Solid Waste Infrastructure	Landfill Closure plan & Design	\$ 487,805	Plan & Design
CIF15-0029	Deming, City of	Luna	Roads/Drainage	Buckeye & Iron Streets detention/retention pond/drainage	\$ 697,777	Design
CIF15-0007	Dona Ana Co.	Dona Ana	Wastewater Infrastructure	Chaparral Wastewater System project Phase IC	\$ 900,000	Construction
CIF15-0049	Dona Ana MDWCA	Dona Ana	Wastewater Infrastructure	Design and construction for the vacuum wastewater collection system in the San Ysidro Colonias	\$ 317,611	Construction
CIF15-0051	Garfield MDWC&MSWA	Dona Ana/Sierra	Water Infrastructure	Design and construction of Phase I-II: new water source, storage capacity, waterline improvements and installation of SCADA.	\$ 1,126,567	Design & Construct
CIF15-0020	Grant Co.	Grant	Roads/Drainage	Phase 1 construction main intersection from US 180 with North Hurley Rd.	\$ 629,608	Construction
CIF15-0019	Grant Co.	Grant	Roads/Drainage	Tyrone-ADA compliance to sidewalks	\$ 101,770	Plan & Design
CIF15-0015	Hidalgo Co.	Hidalgo	Roads/Drainage	Animas Street drainage/roadway improvements	\$ 587,281	Design & Construct
CIF15-0001	High Valley MDWCA	Dona Ana	Planning	Complete an engineering study to evaluate the condition of the entire water system (source, treatment, storage and distribution).	\$ 50,000	Planning
CIF15-0012	Hurley, Town of	Grant	Roads/Drainage	Cortez Avenue drainage and roadway improvements	\$ 679,176	Construction
CIF15-0053	La Luz MDWCA	Otero	Water Infrastructure	Waterline replacement and install SCADA system	\$ 848,526	Construction
CIF15-0034	Loving, Village of	Eddy	Wastewater Infrastructure	WWTP & Sewer distribution system improvements	\$ 634,260	Design & Construct
CIF15-0035	Ruidoso Downs, City of	Lincoln	Wastewater Infrastructure	Agua Fria Sewer line extension	\$ 1,185,840	Construct
CIF15-0014	Santa Clara, Village of	Grant	Water Infrastructure	Construct transmission lines, connections, valves and hydrants in crossings of Cameron Creek, Fort Bayard Rd. and NM 152.	\$ 788,843	Construction
CIF15-0026	Silver City, Town of	Grant	Roads/Drainage	Street & Drainage Improvements:Camino de Suenos & Kelly Street	\$ 963,649	Construction
CIF15-0018	Silver City, Town of	Grant	Wastewater Infrastructure	Construction of a new PISTA grit removal system.	\$ 457,824	Construction
CIF15-0054	Socorro Co.	Socorro	Planning	Complete planning, drainage study engineering and design for the San Antonio Colonias area	\$ 54,000	Planning
CIF15-0033	Timberon WSD	Otero	Water Infrastructure	Phase IV-install additional collection points & waterlines in Carissa Springs	\$ 236,929	Design & Construct
CIF15-0003	Truth or Consequences, City of	Sierra	Wastewater Infrastructure	Design, construction to complete Phase 2A WWTP	\$ 750,000	Design & Construct
CIF15-0045	Tularosa, Village of	Otero	Water Infrastructure	Phase III-replacement of water mainline piping.	\$ 88,000	Design
CIF15-0027	Winterhaven MDWC&SWA	Dona Ana	Wastewater Infrastructure	Install a portion of new force main; install perimeter rock wall around lift station.	\$ 48,751	Design & Construct
